

Project Information Sheet

W 11th Avenue Pavement Preservation Project

Project Overview:

- The roadway between Bailey Hill Road and Oak Patch Drive has been repaved.
- Stormwater treatment facilities have been modified between Commerce Street and Arthur Street.
- Work also included reconstructing sidewalk access ramps throughout the project in order to comply with the Americans with Disabilities Act.
- Though this project is primarily intended to repair the street pavement, we have taken this opportunity to modify the stormwater facilities near the project limits to make them easier to maintain. The project also included constructing a bike ramp on Seneca Street near W. 11th Avenue.

Construction Schedule:

- This project has been mostly completed. The only work remaining is punchlist and some clean up work
- Brown Contracting, Inc. is the contractor performing this work.

Traffic Impacts:

- A majority of the work has been performed during night time hours with some daytime work.
- Drivers should expect minor impacts at this point.

Project Funding:

- The major source of funding is the 2017 Street Preservation Bond.

For More Information:

- Project Manager: Josh Pinkham, phone 541-501-0374, joshua.c.pinkham@ci.eugene.or.us.
- Online road reports (during construction) at www.eugene-or.gov/traffic.
- On Twitter (during construction) at www.Twitter.com/EugenePW.
